## **American TonerServ, Inc. Hits CEOCorner at InvestSourceInc.com**

InvestSource, Inc. invites the public to hear what Dan Brinker, CEO of American TonerServ, Inc. (OTCBB: ASVP), has to say about his company. Mr. Brinker was featured in a recent installment of CEOCorner, "The Fastest 60 Seconds in the Small Cap Market." Details of the interview can be heard at the American TonerServ profile on the InvestSource, Inc. (ISI) website at [www.investsourceinc.com](http://www.investsourceinc.com), or on the CEOCorner website at [www.ceo-corner.com](http://www.ceo-corner.com).

During the course of the interview, Mr. Brinker discussed, among other things, the fragmented nature of the compatible toner market, estimated at \$30 billion in the U.S. alone, with \$8 billion of that total divided among approximately 20,000 small operators. Mr. Brinker, the former president of American Home Shield, was responsible for growing that company over a ten-year span into a business that generated approximately \$120 million per year. Based upon his experience, Mr. Brinker expressed excitement about the opportunities present in the market, and confidence in his abilities and those of the company's management team to take advantage of current market conditions. For more information, visit the company's website at: [www.americantonerserv.com](http://www.americantonerserv.com).

### About American TonerServ:

American TonerServ Corporation has recently entered the public markets after more than a decade in operations providing a range of supplies and services for office equipment. The company's stated mission is to become the nation's leading distributor of compatible toner cartridges. American TonerServ (ATS) has assembled a strong management team and advisory group to provide experience and direction as the company looks to expand its existing nationwide service network, and to gain market share in this large but highly fragmented compatible toner market. In July 2006 American TonerServ already completed what it anticipates to be the first of many acquisitions as it advances its expansion-minded business plan.

### About InvestSource, Inc. (ISI):

ISI is a multimedia relations/public relations firm that specializes in bringing small and micro cap public and private companies to the attention of the general public. InvestSource believes that there are hosts of undervalued companies that don't get the exposure they deserve, and because of their size, have been overlooked by the larger marketing companies. Many of them have solid business plans, work in potentially highly lucrative niche markets, and have superb growth potential. It is the mission of ISI to empower these companies to reap fully all of the benefits of public exposure. For more information visit the corporate website at [www.investsourceinc.com](http://www.investsourceinc.com).

### Safe Harbor Statement:

Except for historical information contained herein, the matters set forth above may be forward-looking statements that involve certain risks and uncertainties that could cause actual results to differ from those in the forward-looking statements. Words such as "anticipate," "believe," "estimate," "expect," "intend" and similar expressions, as they relate to the Company or its management, identify forward-looking statements. Such

forward-looking statements are based on the current beliefs of management, as well as assumptions made by and information currently available to management. Actual results could differ materially from those contemplated by the forward-looking statements as a result of certain factors such as the level of business and consumer spending, the amount of sales of the Company's products, the competitive environment within the industry, the ability of the Company to continue to expand its operations, the level of costs incurred in connection with the Company's expansion efforts, economic conditions in the industry and the financial strength of the Company's customers and suppliers. The Company does not undertake any obligation to update such forward-looking statements. Investors are also directed to consider all other risks and uncertainties.
