## **American TonerServ Expands Board of Directors With Addition of Chad Solter**

SANTA ROSA, CA -- (Marketwire) -- 04/09/09 -- American TonerServ Corp. (OTCBB: ASVP) ("ATS"), a strategic consolidator in the printing supplies and services industry, today named Chad Solter as a member of its board of directors.

Solter is the founder and president of iPrint Technologies, Inc., which was acquired by American TonerServ in October 2008. His appointment expands American TonerServ's board to six members.

"We are rapidly developing a sales-driven culture at ATS, which is Chad's forte," said Chuck Mache, president and chief executive officer of American TonerServ. "While Industry know-how is integral to building a strong board of directors, Chad has proven his capabilities, growing revenues significantly for iPrint Technologies during the past four years. We are excited about Chad's appointment to help further enhance our ability to achieve our goals."

"Chad is an ideal fit for our board of directors, based on his deep breadth of knowledge in the printer and imaging supplies industry," said Daniel Brinker, chairman of the board. "He has successfully managed and expanded iPrint's sales partners, and I am confident his experience will help guide our company as we continue our growth trajectory."

### About American TonerServ

American TonerServ Corp., a leading marketer of compatible toner cartridges, is building a nationwide organization to efficiently serve the printing needs of small- and medium-sized businesses by consolidating best-in-class independent operators in the more than \$6.0 billion recycled printer cartridge and printer services industry, offering top-quality, environmentally-friendly products and local service teams.
